Warm greetings,

I hope this message finds you well. I am writing on behalf of Fortaleza Inc., a registered 501(c) (3) non-profit organization dedicated to achieving educational equity for Latino students in grades K-12 within Lowell.

On Saturday, October 5th, 2024, Fortaleza Inc. will proudly host its third Annual Hispanic Heritage Month Celebration Fundraiser. This event gathers community members in a shared celebration while raising funds for scholarships supporting Latino students.

Last year, Fortaleza, Inc., with the support from the community and attendees, was able to raise over \$32,000.00 in scholarship funds for Latino students' post-secondary education. Donations secured five Latino students in Lowell with financial support to mitigate the educational barriers Latino students face. I am proud to share with you a testimony from one of Fortaleza's Latino Student Scholarship recipients:

“Financial support takes the weight off my shoulders and opens up new opportunities I hadn't considered before, such as studying abroad, being part of a research excursion, and taking an extra load of classes I was interested in but was unable due to my work schedule and other commitments” – Juan A. Tobon Ramirez.

By becoming an event sponsor, you will ensure more Latino students have access to new opportunities while affirming your dedication to upholding educational justice for them.

We offer a range of sponsorship packages tailored to various levels to support Latino students' post-secondary success. Please refer to the attached description page for comprehensive details. Your support empowers us to magnify our impact and drive meaningful change within our community.

With heartfelt gratitude,

Vladimir Saldana
Fortaleza Inc. Board President
